

Toilet Roll Dispenser – Tork T9 Elevations SmartOne – Mini Twin – Plastic – Black

Variant code: 28-682008

The Elevations Mini SmartOne Single-Sheet Twin Toilet Roll Dispenser is an efficient and very robust dispenser, suited to demanding washrooms with high traffic.

By holding two rolls and 1-sheet at a time dispensing, consumption can be reduced by up to 40% when compared to traditional jumbo roll dispensers, meaning more uses are gained per roll. Also very hygienic, because users only touch the tissue they use.

The dispenser has a functional, modern design that not only makes toilet roll access and replacement easy and hygienic, as well as complementing any washroom.
