Tray Microban for 14-7814 - Red

Variant code: 14-7815RED

Designed for use with Rubbermaid Sturdy Chairs, the Sturdy Chair Tray is the perfect addition for those wishing to provide space on which a child's plates, bowls and cutlery can be placed. Featuring the same Microban antimicrobial protection as the chair, the tray is protected against the growth of stain and odour causing bacteria, while the smooth surfaces facilitate easier cleaning to keep the tray looking "like new" for longer
