

Trewax/Nilco/Linhaus Vacuum Bag

Variant code: 16-SDB164

Trewax, Nilco & Lindhaus Vacuum Dust Bags are high-quality replacement dust bags designed for compatible **Trewax, Nilco and Lindhaus vacuum cleaners**. Manufactured to provide reliable dust collection and effective filtration, these replacement bags help maintain optimum suction performance while ensuring hygienic disposal of collected dust, dirt and debris.

Constructed from durable filtration material, the bags effectively capture fine dust and everyday debris while maintaining consistent airflow throughout the vacuum cleaner. Their robust design helps protect the vacuum motor and internal filtration system, supporting reliable cleaning performance and extending the service life of the machine.

Easy to fit and replace, these vacuum bags are an essential consumable for routine machine maintenance. Regular replacement helps maximise suction efficiency, improve dust containment and ensure dependable cleaning performance in both commercial and industrial environments.
