

Truvox 15" Carpet Shampoo Brush

Variant code: 16-0545250000

Truvox 15" Carpet Shampoo Brush is a **professional carpet cleaning brush** designed for use with compatible **Truvox Orbis rotary floor machines**. Featuring a **15-inch (380mm) working diameter**, this high-quality brush is engineered to effectively agitate carpet shampoo solutions, lifting dirt, grease and embedded soil from carpet fibres for a deeper, more thorough clean.

Manufactured with durable synthetic bristles, the brush provides consistent agitation while helping to protect carpet fibres during the cleaning process. Its carefully designed bristle configuration distributes shampoo evenly across the carpet, ensuring excellent cleaning performance and improved soil removal in both commercial and domestic environments.

Designed as a direct-fit accessory, the carpet shampoo brush installs quickly and securely onto compatible Truvox Orbis rotary machines, allowing operators to switch between floor maintenance tasks with minimal downtime. Its robust construction ensures reliable performance and a long service life, even under demanding commercial use.

Ideal for routine carpet maintenance and deep cleaning, the Truvox 15" Carpet Shampoo Brush delivers professional results while helping maintain the appearance and longevity of carpeted floors.
