Truvox 17" Carpet Shampoo Brush - For Orbis 200 Rotary Machine

Variant code: 16-0534330000

Truvox 17" Carpet Shampoo Brush is a **professional carpet shampooing brush** designed specifically for use with the **Truvox Orbis 200 rotary floor machine**. Engineered to provide effective carpet agitation during shampooing and encapsulation cleaning processes, this high-quality accessory helps lift dirt, loosen embedded soils and distribute cleaning solution evenly across carpet fibres for superior cleaning results.

The brush is designed to work in conjunction with carpet shampoo and cleaning solutions, ensuring thorough agitation of carpet fibres to maximise soil removal and improve overall carpet appearance. Its carefully selected bristle configuration provides effective cleaning action while remaining suitable for use on a wide range of commercial carpet types.

Manufactured for professional cleaning applications, the 17" brush offers excellent floor coverage and productivity, making it ideal for routine carpet maintenance and restorative cleaning programmes. When fitted to the Truvox Orbis 200, it transforms the rotary machine into a versatile carpet cleaning solution suitable for a variety of environments.

Built for durability and consistent performance, the Truvox Carpet Shampoo Brush is an essential accessory for contract cleaners, facilities managers and cleaning professionals seeking reliable carpet maintenance equipment.
