

Truvox i-Scrub Compact Scrubbing Machine inc Battery & Charger

Variant code: 16-ISCRUB

The i-scrub 21B from Truvox features a double disc action with the flexibility to scrub areas in a vertical position. This machine can also easily convert into a handheld unit for polishing any hard to reach areas.

Ideal for use in education, facilities management, healthcare, leisure and retail.

Features:

- Centralised controls – Height adjustable telescopic wand that is easily controlled at the grip.
- Easy reach – All switches and controls are within easy reach of your fingertips.
- Manual dosing – Dose at the push of a button
- 360° motion – Adjustable head can rotate a full 360° making cleaning at any angle a breeze.
- Dual brush heads – Equipped with two brush heads for high mechanical power.
- Slim design – Ability to clean narrow gaps and hard to reach places
