Truvox i-Scrub 21B Compact Scrubbing Machine - Complete with Battery & Charger

Variant code: 16-ISCRUB

Truvox i-Scrub 21B is a **compact battery-powered scrubbing machine** designed to deliver exceptional cleaning performance in confined spaces and hard-to-reach areas. Featuring an innovative dual-disc scrubbing system and versatile 360° rotating head, the i-Scrub 21B provides powerful cleaning action while maintaining outstanding manoeuvrability for a wide range of commercial cleaning applications.

The machine's unique design allows operators to clean in both horizontal and vertical positions, making it ideal for floors, walls, stairs, skirting boards, washrooms and other difficult-to-access surfaces. For even greater versatility, the unit can be quickly converted into a handheld scrubber, enabling effective cleaning and polishing of surfaces that traditional scrubber dryers cannot easily reach.

Equipped with **dual brush heads**, the i-Scrub 21B delivers high mechanical scrubbing power for removing dirt, grime and surface contamination. The **360° rotating head** allows effortless cleaning at virtually any angle, while the **height-adjustable telescopic wand** and centralised controls provide excellent operator comfort and ease of use.

Supplied complete with **battery and charger**, the Truvox i-Scrub 21B offers cordless freedom and flexibility, making it an ideal cleaning solution for education, healthcare, leisure, retail and facilities management environments.

Product Features

- **Battery-powered compact scrubbing machine**
- Supplied complete with **battery and charger**
- **Dual brush head system** for enhanced cleaning power
- Converts into a **handheld scrubbing unit**
- **360° rotating cleaning head**
- Height-adjustable telescopic wand
- Centralised controls with fingertip

operation
- Push-button manual solution dosing
- Slim design for narrow spaces and difficult-to-reach areas

Product Benefits

- **Provides powerful scrubbing performance in confined spaces**
- **Cleans floors, walls, stairs and vertical surfaces with ease**
- **Converts into a handheld unit for maximum versatility**
- Cordless operation improves manoeuvrability and safety
- Adjustable design enhances operator comfort
- Ideal for detailed cleaning and spot cleaning applications

Technical Characteristics

- Model: **Truvox i-Scrub 21B**
- Power Source: **Battery Powered**
- Includes: **Battery and Charger**
- Brush System: **Dual Disc Brushes**
- Head Movement: **360° Rotating Head**
- Solution Application: **Manual Push-Button Dosing**
- Handle: **Height Adjustable Telescopic Wand**
- Operation: Floor and Vertical Surface Cleaning
- Conversion: Handheld Scrubbing Capability

Applications

Truvox i-Scrub 21B is ideal for **education facilities, healthcare environments, leisure centres, retail stores, washrooms, commercial buildings and facilities management applications**. Perfect for cleaning **hard floors, wall surfaces, stairs, skirting boards, corners, washrooms and other hard-to-reach areas**, it delivers professional cleaning performance where larger machines cannot easily operate.
