Truvox Multiwash 340 Brushes - Pack of 2 - Red

Variant code: 16-0547600500

Truvox Multiwash 340 Colour-Coded Brushes are **professional replacement cleaning brushes** designed for use with the **Truvox Multiwash 340 range of scrubber dryers**. Supplied as a **pack of two**, these genuine replacement brushes deliver effective scrubbing performance across a wide range of floor surfaces, helping maintain high cleaning standards in commercial, healthcare and industrial environments.

Compatible with the **MW340, MW340/PUMP and MW340/PUMP Battery** models, these brushes work with the Multiwash system's **contra-rotating brush technology** to lift dirt, grease and contaminants from floors while providing excellent cleaning performance. Available in **Green, Red, Yellow and Blue**, the colour-coded options support hygiene management systems by allowing dedicated brushes to be assigned to specific cleaning zones, helping reduce the risk of cross-contamination.

Manufactured for durability and consistent cleaning performance, the brushes provide excellent floor contact and are suitable for a wide range of hard floor applications. As genuine Truvox accessories, they ensure optimum machine performance while helping extend the service life of your Multiwash 340 scrubber dryer.

Ideal for routine maintenance and replacement, these brushes provide a reliable solution for maintaining efficient and hygienic floor cleaning.
