

Truvox Multiwash 340 Pro Scrubber Dryer

Variant code: 16-MWPRO340

The new and updated Multiwash machine scrubs and cleans floors leaving minimal water behind, allowing them to dry quickly.

A very easy to use machine that will give you exceptional results on almost every floor type, including safety flooring, wood-effect flooring, patterned flooring, smooth polished floors as well as entrance mats and carpets.

The machine uses a simple counter rotating brush motion that effectively scrubs the floor and flicks the dirt onto a central drum. The central drum collects the dirt and water into the recovery tank.

What's New With the New Multiwash?

- Increased brush diameter and improved motor gives 12% more scrubbing power providing an even better cleaning performance
- Improved aesthetics and ergonomic design
- A durable, no-marking, hard shell for protection of your machine and surroundings
- Increased use of engineering plastics eliminating any corrosion
- One simple push button to dispense cleaning solution
- Handle is easier to assemble to the base
- Improved tank connection
- Improved quick disconnect solution system
- Optional 7 litre tank for greater productivity
- All models come with pump as standard
- Fully enclosed spray nozzle for improved aesthetic and greater protection when cleaning under low level items.
- Feature added to prevent the recovery tank lid touching the drum, especially if using it for carpet encapsulation.

Property	Value
Length (mm)	390

Property	Value
Warranty (Years)	1
Weight (kg)	26.5
Width (mm)	450
Height (mm)	1110
Accessories Included with Machine	Standard Black Brushes
Motor Wattage (W)	950(Motor)/26(Pump)
Voltage	230
Brush Width (mm)	340
Noise Level (dB)	69
Brush Pressure (g/cm ²)	190
Brush Speed (rpm)	650
Vacuum Width (mm)	340
Performance (m ² per Hour)	350
Solution Tank Capacity (L)	4
Recovery Tank Capacity (L)	2
