Truvox Multiwash 340 Pro Steam Scrubber Dryer

Variant code: 16-MWPRO340S

Truvox Multiwash 340 Pro Steam Scrubber Dryer is an advanced floor cleaning machine that combines steam cleaning, scrubbing and drying in a single pass for exceptional hygiene and cleaning performance. Designed for professional environments, it delivers powerful cleaning action while **reducing cleaning time**, improving productivity and leaving floors clean, dry and ready for immediate use.

Featuring powerful **contra-rotating cylindrical brushes**, the Multiwash 340 Pro Steam effectively loosens, lifts and removes dirt, grease and contaminants from a wide range of floor surfaces. The integrated steam cleaning capability **enhances cleaning performance**, helping achieve deeper and more hygienic results without compromising efficiency. Easy to operate, manoeuvre and maintain, the machine is suitable for both routine maintenance and intensive cleaning applications.

The single-pass wash, scrub and dry system minimises downtime and allows operators to clean larger areas faster than traditional methods. A range of interchangeable brushes enables cleaning across hard floors, carpets, escalators and entrance matting, while the integrated side brush ensures thorough cleaning right up to walls, edges and corners. Designed for demanding commercial environments, the Multiwash 340 Pro Steam delivers reliable, high-performance floor care day after day.

Product Features

- **Steam, wash, scrub and dry in a single pass**
- Powerful contra-rotating cylindrical brush system
- Integrated steam cleaning technology
- Easy to use, manoeuvre and maintain
- Suitable for multiple floor surfaces
- Interchangeable brush options available
- Integrated side brush for edge cleaning
- Professional-grade commercial construction
