Truvox Multiwash 240 Pro Scrubber Dryer

Variant code: 16-MWPRO240

Truvox Multiwash 240 Pro is a professional **scrubber dryer** designed to deliver fast, effective and hygienic floor cleaning across a wide range of commercial environments. Manufactured by Truvox International, a trusted name in professional floorcare equipment, the Multiwash 240 Pro combines washing, scrubbing and drying in a single pass to maximise cleaning efficiency while reducing labour requirements.

Using powerful **contra-rotating cylindrical brushes**, the machine effectively lifts dirt, grime and contaminants from floor surfaces, leaving them hygienically clean and ready for immediate use. Its intuitive controls and compact design make operation straightforward, while the robust construction ensures reliable performance in demanding environments. The addition of a side brush allows for effective **edge-to-edge cleaning**, helping operators clean close to walls, skirting boards and other obstacles that are often difficult to reach with conventional floor cleaning equipment.

The versatility of the Multiwash 240 Pro is enhanced through a range of interchangeable brushes, enabling the machine to clean hard floors, carpets, entrance matting and even escalators. By combining multiple cleaning stages into one operation, the machine helps improve productivity, reduce downtime and lower overall cleaning costs while maintaining high hygiene standards.

Product Features

- **Washes, scrubs and dries** in a single pass
- **Contra-rotating brushes** deliver powerful cleaning performance
- Easy-to-use controls for simple operation and manoeuvrability
- **Side brush** provides effective edge-to-edge cleaning
- Compatible with interchangeable brushes for multiple floor types
- Suitable for hard floors, carpets, entrance mats and escalators
- Designed for professional commercial

cleaning applications

Product Benefits

- Improves cleaning productivity by completing multiple tasks simultaneously
- Reduces labour requirements compared with traditional cleaning methods
- Supports higher hygiene standards through effective dirt removal
- Minimises floor downtime by leaving surfaces clean and dry
- Provides excellent versatility across different floor coverings
- Improves cleaning consistency in high-traffic environments
- Helps maintain professional standards of cleanliness and presentation

Technical Characteristics

- Professional **scrubber dryer** for commercial use
- Uses contra-rotating cylindrical brush technology
- Compatible with specialist brush options for different floor surfaces
- Designed for straightforward operation and maintenance
- Side brush assists cleaning close to walls and edges
- Suitable for routine and deep cleaning programmes
- Supported by Truvox professional floorcare accessories and consumables

Applications

Truvox Multiwash 240 Pro is ideal for schools, healthcare facilities, leisure centres, retail environments, hospitality venues, transport hubs and commercial buildings where efficient floor cleaning is essential. Its ability to clean hard floors, carpets, entrance matting and escalators makes it particularly suitable for facilities with mixed floor surfaces. The combination of scrubbing, washing and drying performance allows cleaning teams to maintain high standards of hygiene while improving productivity and reducing cleaning time.
