

Truvox Multiwash 340/Pump: Battery Powered Scrubber Drier inc Battery & Charger

Variant code: 16-MW340/PUMP/B

An excellent scrubber drier with lithium-ion battery technology that allows for opportune charging (the quick change battery system enables longer run times with a second battery). Quiet in operation and is ideal for when customers, patients or staff are present. No trailing cables minimising the risk of trips and slips. The Multiwash is a cleaning machine that scrubs and dries in one pass, can be used on hard floors and carpets. A simple tried and trusted design. Excellent all round cleaning machine for a large range of flooring types with different brushes available. Highly effective on "difficult" floors including: non-slip safety floors, low pile carpets, escalators and travelators, entrance matting. Excellent manoeuvrability and productivity. Quiet in operation. Accessible and removable tanks for fast filling and emptying. Leaves floors ready to walk on in minutes. Ideal for food service areas, hospitals, schools, retail premises and nursing homes. 4 litre solution tank that is removable and easy to clean.
