Truvox Multiwash 440 Pro Scrubber Dryer

Variant code: 16-MWPRO440

Truvox Multiwash 440 Pro Scrubber Dryer is a professional floor cleaning machine designed to wash, scrub and dry floors in a single pass. Built for efficient commercial cleaning, it delivers powerful performance across a wide range of floor surfaces while helping reduce cleaning time, downtime and labour costs.

Using **contra-rotating brush technology**, the Multiwash 440 Pro effectively lifts dirt, grime and residue from floors to leave surfaces hygienically clean and ready for use. Its intuitive controls and easy manoeuvrability make it simple for operators to use, while the wider cleaning path makes it especially suitable for larger areas requiring fast and consistent results.

The machine is suitable for multiple floor types, with brush options available for hard floors, carpets, escalators and entrance matting. A **side brush** supports thorough edge cleaning, helping remove dirt close to walls, skirting boards and corners. Designed for **professional floor care**, the Multiwash 440 Pro combines versatility, productivity and reliable cleaning performance in one compact machine.
