# Truvox Multiwash Side Brush - For Multiwash 240

**Variant code: 16-9001340000**

**Truvox Multiwash Side Brush** is a **genuine replacement side brush** designed specifically for the **Truvox Multiwash 240 scrubber dryer**. Engineered to extend the machine's cleaning reach, this replacement brush effectively cleans right up to skirting boards, walls and other hard-to-reach edges, helping deliver a more thorough and consistent floor cleaning result.

Manufactured from durable, wear-resistant bristles, the side brush provides reliable performance during everyday commercial cleaning. It works alongside the Multiwash 240's contra-rotating brush system to sweep dirt and debris from edges into the main cleaning path, ensuring no areas are missed and reducing the need for additional manual cleaning.

Designed as a direct replacement component, the brush is quick and easy to install, minimising maintenance time and restoring the machine's edge-cleaning capability.

## Product Features

- **Replacement side brush for Truvox Multiwash 240**
- Designed for effective edge cleaning
- Durable, wear-resistant bristle construction
- Cleans close to walls, skirting boards and corners
- Direct replacement component
