Truvox Orbis 11"/28cm Drive Board - For Orbis Compact Rotary Machine

Variant code: 16-0544410500

Truvox Orbis 11"/28cm Polypropylene Scrubbing Brush is a **professional hard floor scrubbing brush** designed specifically for use with the **Truvox Orbis Compact rotary floor machine**. Manufactured with durable polypropylene bristles, this brush delivers effective agitation and deep cleaning performance, making it ideal for routine floor maintenance and intensive scrubbing applications in confined or hard-to-reach areas.

The high-quality polypropylene bristles are engineered to loosen dirt, grime and stubborn surface contamination from hard floors while maintaining excellent durability in demanding commercial environments. Suitable for wet scrubbing applications, the brush provides consistent cleaning performance across a wide range of floor surfaces.

With its compact **11" (28cm) diameter**, the brush is particularly well suited for cleaning smaller areas, corners, washrooms, entrances and locations where larger rotary machines may be difficult to manoeuvre. The brush maintains excellent floor contact to maximise cleaning efficiency and ensure thorough results.

Designed as a genuine Truvox accessory, the Polypropylene Scrubbing Brush fits seamlessly onto the Orbis Compact, enhancing the machine's cleaning capabilities and providing a reliable solution for professional floor care programmes.

Product Features

- **Polypropylene scrubbing brush**
- Designed for the **Truvox Orbis Compact**
- **11" (28cm) working diameter**
- Durable polypropylene bristle construction
- Suitable for wet scrubbing applications
- Genuine Truvox accessory

Product Benefits
