Truvox Orbis Duo - 17 Inch 200/400rpm Dual Speed Rotary Floor Machine (Excludes Drive Board)

Variant code: 16-OBDUAL

Truvox Orbis Duo is a professional **dual speed rotary floor machine** designed to provide exceptional versatility for both floor scrubbing and polishing applications. Combining the benefits of Truvox's 154rpm and 309rpm rotary machines in one unit, the Orbis Duo offers cleaning professionals a flexible and efficient solution for a wide range of commercial floorcare tasks.

With selectable **154rpm and 309rpm operating speeds**, the machine can be adapted to suit intensive floor scrubbing, spray cleaning, polishing and routine maintenance programmes. Its ergonomic design and fully adjustable handle allow operators to work comfortably regardless of height, while the lightweight construction and low vibration levels help reduce fatigue during extended cleaning shifts. Designed for ease of use and reliable performance, the Orbis Duo delivers professional cleaning results across a variety of hard floor surfaces.

Compatible with **17-inch floor pads**, the machine provides excellent flexibility for facilities management teams, contract cleaners and commercial cleaning professionals. Whether undertaking deep cleaning or maintaining polished floor finishes, the Orbis Duo offers dependable performance and exceptional operator comfort.

Product Features

- **Dual-speed operation: 154rpm and 309rpm**
- **17 inch (43cm) cleaning width**
- Suitable for both scrubbing and polishing applications
- Ergonomic machine design for improved user comfort
- Fully adjustable handle height
- Lightweight construction for easier operation
- Low vibration levels during use

Product Benefits

Tel: 01626 355177
Email: info@aukhygiene.com

- Provides flexibility for multiple floorcare applications
- Reduces the need for separate scrubbing and polishing machines
- Improves operator comfort during extended cleaning sessions
- Enhances productivity with selectable cleaning speeds
- Supports high standards of floor appearance and hygiene
- Easy to manoeuvre and control
- Suitable for routine maintenance and restorative cleaning programmes

Technical Characteristics

- Professional **dual-speed rotary floor machine**
- **17 inch (43cm) working width**
- **154rpm and 309rpm selectable speeds**
- Compatible with 17-inch floor pads
- Adjustable ergonomic handle design
- Low vibration operating characteristics
- Drive board not included

Applications

Truvox Orbis Duo is ideal for schools, healthcare facilities, retail premises, offices, hospitality venues and contract cleaning operations where a versatile floorcare machine is required. Its dual-speed functionality makes it particularly suitable for organisations that need a single machine capable of handling both scrubbing and polishing duties, delivering professional cleaning results while maximising equipment value and operational efficiency.
