Truvox Orbis 17"/43cm Palmyra Floor Brush - Floor Polishing Brush for Orbis Rotary Machines

Variant code: 16-0534350000

Truvox Orbis 17"/43cm Palmyra Floor Brush is a **professional floor polishing and maintenance brush** designed for use with compatible **Truvox Orbis rotary floor machines**. Manufactured using high-quality natural **Palmyra fibres**, this brush is ideal for polishing, buffing and maintaining a wide range of hard floor surfaces, helping to restore shine and enhance floor appearance.

The natural Palmyra bristles provide a controlled polishing action that is effective yet gentle on floor finishes. Designed to maintain protective coatings and enhance surface gloss, the brush is particularly suitable for routine floor care programmes where preserving the appearance and longevity of floor surfaces is essential.

With a **17" (43cm) working width**, the brush offers excellent floor coverage and productivity, making it suitable for both routine maintenance and larger floor care projects. Its durable construction ensures reliable performance and long service life, even in demanding commercial cleaning environments.

As a genuine Truvox accessory, the Palmyra Floor Brush integrates seamlessly with compatible Orbis rotary machines, providing professional cleaners and facilities management teams with a dependable solution for maintaining polished, well-presented floors.
