Truvox Orbis 17"/43cm Polypropylene Scrubbing Brush - For Orbis 200 Machine

Variant code: 16-0534310500

Truvox Orbis Polypropylene Scrubbing Brush is a **heavy-duty rotary scrubbing brush** designed for use with the **Truvox Orbis 200 rotary floor machine**. Manufactured with durable polypropylene bristles, this professional brush provides effective agitation and deep cleaning performance across a wide range of hard floor surfaces, making it ideal for routine maintenance and intensive scrubbing applications.

The robust polypropylene bristles are engineered to loosen dirt, grime and stubborn surface deposits without causing unnecessary wear to floor finishes. Suitable for wet scrubbing applications, the brush delivers consistent cleaning performance and helps restore the appearance of heavily trafficked floors in commercial, industrial and public environments.

Designed specifically for the **17" (43cm) Truvox Orbis 200**, the brush ensures secure fitting and optimum contact with the floor surface for efficient cleaning results. Its durable construction provides long service life, making it a reliable accessory for professional cleaning contractors and facilities management teams.

Ideal for use on a variety of hard floor types, the Truvox Orbis Polypropylene Scrubbing Brush is an essential accessory for maintaining cleanliness and hygiene standards in demanding cleaning environments.

Product Features
