Truvox Orbis 200 HD - 17 Inch Standard Speed 190rpm Rotary Floor Machine (Excludes Drive Board)

Variant code: 16-OB45200

Truvox Orbis 200 HD is a professional **standard speed rotary floor machine** designed for demanding cleaning, scrubbing and polishing applications. Built for durability and consistent performance, this heavy-duty rotary machine combines a powerful cleaning action with an ergonomic design, making it an ideal choice for contract cleaners, educational facilities and commercial environments where floorcare equipment is used extensively.

Operating at **190rpm**, the Orbis 200 HD delivers excellent cleaning and polishing performance across a wide range of hard floor surfaces. Its high floor pressure maximises cleaning effectiveness, helping to remove dirt, restore floor appearance and maintain professional standards of cleanliness. The ergonomic handle design improves operator comfort during prolonged use, while the dual-handed safety interlock and deadman switch provide enhanced operator safety. Large rear wheels allow easy transportation between cleaning areas, making the machine practical and convenient for everyday commercial use.

Compatible with **17-inch floor pads** and supported by a comprehensive range of accessories, the Orbis 200 HD offers exceptional versatility for routine maintenance, spray cleaning, scrubbing and polishing applications. Designed to withstand the demands of high-frequency cleaning schedules, it provides reliable long-term performance in challenging environments.
