

Truvox Orbis Dual Speed Eco: 17"/43cm 200/400rpm Rotary Machine inc Drive Board

Variant code: 16-OBECOT

The Orbis Eco from Truvox is a cost effective single disc rotary machine that offer exceptional handling and productivity for cleaning and polishing hard floors.

This rotary machine offers exceptional handling and productivity for cleaning and polishing hard floors.

It uses the same motor as the standard Orbis machine, but has a different motor casing and folding handle design.

The handle comes pre-assembled and folds over the machine when not in use for compact storage. This machine is a dual speed 200/400rpm, which makes it an ideal all-round machine for either floor scrubbing and stripping or polishing.

Features:

- Pre-assembled with the handle and ready to use, saving both time and cost
- High pad/brush pressure for effective cleaning
- Adjustable handle height to suit user requirements
- Folding handle and large rear wheels make for easy transportation
- Ergonomic design for operator comfort and ease of use
- Low vibration levels mean greater user comfort on long cleaning shifts
- Comprehensive range of accessories to suit all cleaning needs
- Dual speed

The Orbis Eco is ideal for retail, education and healthcare facilities.
