

Truvox Polypropylene 17"/43cm Scrubbing Brush: For Orbis 400 & Duo

Variant code: 16-0534690500

Truvox Polypropylene Scrubbing Brush is a professional-duty floor scrubbing brush designed specifically for use with the **Truvox Orbis 400 and Orbis Duo rotary floor machines**. Manufactured with durable polypropylene bristles, this brush delivers powerful agitation for effective cleaning of hard floor surfaces, helping remove dirt, grime and stubborn surface contamination with ease.

Engineered for demanding commercial cleaning applications, the brush provides excellent floor contact and consistent cleaning performance across a variety of floor types. The robust polypropylene bristles are suitable for routine maintenance cleaning as well as more intensive scrubbing tasks, making the brush a versatile accessory for professional floor care programmes.

With a **17" (43cm) working width**, the brush offers efficient floor coverage, helping operators maximise productivity while achieving thorough cleaning results. Its durable construction ensures long service life and dependable performance in busy commercial and industrial environments.

Designed as a genuine Truvox accessory, the Polypropylene Scrubbing Brush fits seamlessly onto compatible Orbis machines, enhancing their cleaning capabilities and providing a reliable solution for everyday floor maintenance.

Product Features

- **Polypropylene floor scrubbing brush**
- Compatible with **Truvox Orbis 400 and Orbis Duo**
- **17" (43cm) working diameter**
- Durable polypropylene bristle construction
- Suitable for routine and heavy-duty scrubbing
