Truvox Shampoo Brushes - For Cimex Cyclone 38 - White

Variant code: 16-1116070500

Truvox Cimex Cyclone 38 White Shampoo Brushes are **professional carpet shampooing brushes** designed specifically for use with the **Truvox Cimex Cyclone 38 carpet and floor cleaning machine**. Manufactured to deliver effective carpet agitation and solution distribution, these brushes help achieve outstanding cleaning results across a wide range of commercial carpeted areas.

The white shampoo brushes are designed to work with the Cimex Cyclone's unique planetary brush system, providing thorough and uniform agitation of carpet fibres. This action helps loosen embedded dirt, lift soiling and maximise the effectiveness of carpet cleaning solutions, resulting in cleaner, fresher and more revitalised carpets.

Supplied as a set of brushes for the Cimex Cyclone 38, they provide excellent floor coverage and consistent cleaning performance. Their durable construction ensures long service life, making them ideal for routine carpet maintenance programmes and restorative cleaning applications in demanding commercial environments.

As genuine Truvox accessories, the brushes are engineered for seamless compatibility and optimum performance, helping users maintain the efficiency and cleaning effectiveness of their Cimex Cyclone machine.
