

Truvox Standard Nylon Scrub Brush Set for CR38 – White

Variant code: 16-1116050500

Truvox Standard White Nylon Scrub Brush Set is a genuine replacement **brush set for the Truvox CR38 scrubber dryer**. Manufactured with durable white nylon bristles, these brushes provide effective everyday scrubbing performance, removing dirt and grime from a wide range of hard floor surfaces while helping to maintain the machine's optimum cleaning efficiency.

Designed for routine floor maintenance, the standard nylon bristles offer an excellent balance of cleaning power and surface protection. They are suitable for use on sealed hard floors, including vinyl, tile, concrete, terrazzo and other commercial floor finishes, delivering consistent cleaning results without causing unnecessary wear.

Supplied as a **complete pack of 3 brushes**, this genuine Truvox replacement set is easy to install and ensures even brush wear and reliable machine performance. It is an ideal solution for maintaining the productivity and cleaning quality of your Truvox CR38 floor cleaning machine.
