Truvox Valet Aqua 20 - 20L Wet and Dry Vacuum Cleaner

Variant code: 16-VA20

Truvox Valet Aqua 20 Wet & Dry Vacuum Cleaner is a versatile and cost-effective professional vacuum cleaner designed to deliver powerful wet and dry cleaning performance for small to medium-sized commercial environments. Combining robust construction, simple operation and outstanding manoeuvrability, the Valet Aqua 20 provides a reliable all-in-one cleaning solution for facilities management, contract cleaning and commercial maintenance applications.

Featuring a practical 3-in-1 design, the Valet Aqua 20 offers wet vacuuming, dry vacuuming and an integrated blower function for clearing dust and debris from hard-to-reach areas. A simple single-switch control system and quick-release hose allow effortless transitions between cleaning modes, helping operators work efficiently across multiple tasks. The large 20-litre capacity provides extended cleaning time while maintaining a compact footprint ideal for smaller commercial spaces.

Built for durability and ease of maintenance, the Valet Aqua 20 features a robust stainless-steel tank that withstands daily professional use. Convenient tank latches enable quick tip-and-pour emptying, while interchangeable sponge and HEPA 13 filtration systems allow rapid adaptation between wet and dry cleaning applications. Supplied complete with on-board accessories and an all-in-one wet/dry floor nozzle, the Valet Aqua 20 is ready for professional cleaning straight out of the box.

Product Features
