Wiper Roll - TufWipe Non-Woven - Industrial - White - Case of 2

Variant code: 02-337

Wiper Roll - TufWipe Non-Woven is a high-capacity, 2-ply paper wiping solution designed for light to medium-duty cleaning tasks in workshops, food preparation areas and industrial environments. Supplied as a **case of 2 rolls**, each roll measures approximately 162 **metres long x 250mm wide**, providing exceptional coverage and reducing the frequency of roll changes in busy workplaces. Manufactured from durable, highly absorbent paper, these jumbo rolls deliver reliable wiping performance while offering excellent value for money.

Designed for everyday cleaning and spill control, the strong 2-ply construction provides the ideal balance of absorbency and durability for wiping hands, tools, machinery and work surfaces. The large sheet format makes it easy to tackle larger spills and cleaning jobs efficiently, while the paper is **food contact safe**, making it suitable for use in food production, catering and food preparation environments. Its jumbo length ensures extended service intervals, improving productivity and reducing maintenance time.

Ideal for professional cleaning, engineering and manufacturing environments, the Industrial Blue Jumbo Wiper Roll offers a dependable, cost-effective solution for maintaining clean and hygienic work areas throughout the working day.

Product Features

- Industrial jumbo blue paper wiper roll
- 2-ply absorbent construction
- Roll size: 162m x 250mm
- Supplied as a case of 2 rolls
- Large sheet format for efficient wiping
- Highly absorbent and durable paper
- Food contact safe
