

Tuffall Wipes – Box of 140

Variant code: 02-FN1501

Tuffall Wipes are durable, high-performance disposable wipes designed for demanding cleaning and wiping applications across commercial, industrial and maintenance environments. Supplied in a convenient **hygienic dispensing box of 140 wipes**, these strong, long-lasting wipes provide an effective solution for cleaning surfaces, wiping tools and equipment, and tackling everyday spills with ease.

Manufactured from hard-wearing material, Tuffall Wipes deliver excellent strength and durability for both wet and dry applications. Their multi-purpose design makes them suitable for a wide variety of cleaning tasks, while the hygienic dispensing box keeps the wipes clean, protected and easy to access throughout the working day. The controlled dispensing system also helps reduce waste by allowing users to remove one wipe at a time.

Designed for professional users, Tuffall Heavy Duty Multi-Purpose Wipes provide a practical and cost-effective alternative to traditional cleaning cloths, delivering reliable performance wherever a strong disposable wiping solution is required.
