Twine Socket Mop Head - 14oz - Red

Variant code: 15-TWP14R

The range of twine socket mops are absorbent and offer a longer life. They are fitted with a 'Swift' easy fit socket which is also compatible with most handles, simply push in a wooden handle or create your own thread by screwing in an aluminium handle.

Features:

- They are made out of an absorbent PY yarn, making them suitable for general mopping duties
- Each Mop Head features an RS Fitting
