

## Unger Sponge for FIXI Clamp

Variant code: 14-SP010

The **Unger Cleaning Sponge for FIXI-Clamp** is a versatile professional cleaning sponge designed for **absorbing spills, wiping surfaces and scrubbing dirt**. Manufactured from **foam rubber**, the sponge combines high absorbency with a durable construction for a variety of cleaning applications.

The sponge is specifically **compatible with the Unger FIXI-Clamp**, allowing it to be securely held by the clamp for cleaning **high or difficult-to-access areas**. When the FIXI-Clamp is used with a compatible extension pole, the sponge can form part of an extended-reach cleaning setup.

Finished in **yellow**, the sponge measures approximately **22.1 x 10.2 x 7.1cm** (8.7 x 4 x 2.8 inches). Its reusable construction makes it suitable for repeated professional cleaning tasks across a range of **indoor and outdoor surfaces**.

---

### Product Features

- **Professional cleaning sponge** for wiping, scrubbing and absorbing spills
- Specifically **compatible with the Unger FIXI-Clamp**
- Manufactured from **foam rubber**
- **Highly absorbent** for efficient spill and surface cleaning
- Durable construction suitable for **demanding cleaning tasks**
- Suitable for **indoor and outdoor cleaning**
- Can be used with the FIXI-Clamp for cleaning **high and difficult-to-reach areas**
- **Reusable** design for repeated cleaning applications
- Finished in **yellow**

---

### Product Benefits

- **High absorbency** makes the sponge suitable for efficiently wiping surfaces and absorbing spills
- **FIXI-Clamp compatibility** enables the sponge to be used as part of an extended-reach cleaning system

- **Durable and reusable construction makes it suitable for repeated professional cleaning tasks**
- Versatile design supports both **wiping and scrubbing applications**
- Suitable for cleaning a variety of **indoor and outdoor surfaces**
- Can help reach **high or difficult-to-access areas** when paired with the appropriate Unger equipment

---

## Technical Characteristics

- **Product Type:** Cleaning Sponge
- **Compatibility:** Unger FIXI-Clamp
- **Material:** Foam Rubber
- **Colour:** Yellow
- **Length:** 8.7" / Approx. 22.1cm
- **Width:** 4" / Approx. 10.2cm
- **Height:** 2.8" / Approx. 7.1cm
- **Cleaning Functions:** Absorbing, Wiping & Scrubbing
- **Usage:** Indoor & Outdoor Cleaning
- **Reusable:** Yes

---

## Applications

The **Unger Cleaning Sponge for FIXI-Clamp** is suitable for professional cleaning applications requiring **spill absorption, surface wiping and scrubbing**. It can be used independently or fitted to the **Unger FIXI-Clamp** for cleaning high and difficult-to-access areas. Unger identifies applications ranging from **indoor surface cleaning** to outdoor areas such as **windows and patios**.
