

Urnex Cafiza E16 Espresso Machine Cleaner Tablets 1.2g – Pack of 100

Variant code: 04-CW262

Urnex Cafiza E16 Espresso Machine Cleaner Tablets 1.2g – Pack of 100: Your Essential Solution for Pristine Espresso!

Experience unparalleled coffee flavor and extend your machine's life with Urnex Cafiza E16, the industry-standard espresso machine cleaner, now available in a convenient pack of 100 precisely dosed 1.2g tablets!

Are you a coffee connoisseur, a bustling café owner, or simply someone who loves a perfect cup of espresso? Then you know that the secret to exceptional taste lies not just in the beans, but in a meticulously clean espresso machine. Over time, coffee oils and residues build up, leading to bitter-tasting coffee, inconsistent extraction, and potential damage to your valuable equipment. That's where Urnex Cafiza E16 comes in!

Why Choose Urnex Cafiza E16?

- **Optimised Espresso Flavor:** Cafiza E16 tablets are specifically formulated to eliminate rancid coffee oils, grounds, and stubborn residues from your espresso machine's group heads, valves, and lines. The result? Every shot you pull will be cleaner, brighter, and infused with the true, unadulterated flavor of your premium coffee beans.
Unlock the full potential of your coffee!
- **Superior Cleaning Power:** Trusted by professional baristas worldwide, Urnex Cafiza is renowned for its powerful yet safe cleaning action. These tablets effectively break down even the toughest build-up, ensuring your machine operates at peak performance.
- **Extends Machine Lifespan:** Regular cleaning with Cafiza E16 prevents corrosion and blockages, safeguarding your investment and significantly extending the operational life of your espresso machine. **Protect your valuable asset!**

- **Convenient & Easy to Use:** The pre-portioned 1.2g tablets eliminate guesswork and mess. Simply follow your machine's backflushing instructions, drop in a tablet, and let Cafiza do the hard work. No more measuring powders or spills!
- **Versatile Application:** Ideal for a wide range of commercial and domestic espresso machines, Cafiza E16 is perfect for cafes, restaurants, offices, and home users who demand the best from their coffee equipment.
- **Economical Pack of 100:** This generous pack provides a long-lasting supply of cleaning power, offering excellent value for money. Keep your machine consistently clean without constantly reordering. **Great value, long-lasting supply!**
- **Food-Safe & Non-Toxic:** Urnex products are designed with safety in mind. Cafiza E16 is a highly effective cleaner that rinses away completely, leaving no harmful residues behind.

Key Features & Benefits:
