V-Air® SOLID Evolution - Marine Musk - 6 Refills

Variant code: 06-VMM

Organic core. Revolutionary multi-phasing air freshener technology.

Passive technology is evolving with V-AirÂ® SOLID Evolution. The recyclable EVA cartridge with multi-phasing air freshener technology and sub-micron fragrances allows for superior scent delivery.

Containing no batteries, liquids or harmful propellants, the dispenser & refill works with natural airflow. V-AirÂ® SOLID Evolution refills contain Carrageenan, a powder extracted from red seaweed. Carrageenan is organic.

Features:

- The special slatted design allows for optimum air movement around the refill.
- With its dual, organic seaweed core and fragrance outer, the refill utilizes our multi-phasing technology.
- The lightweight, recyclable refill requires natural airflow. No batteries needed or liquids & refills are free from harmful propellants & solvents.
