

Vax Vacuum Bags – Pack of 5

Variant code: 16-SDB152

Vax Vacuum Bags are **high-quality replacement dust bags** designed for use with **compatible Vax vacuum cleaners**. Engineered to provide reliable dust collection and effective filtration, these replacement bags help maintain strong suction performance while ensuring hygienic disposal of collected dirt and debris.

Manufactured from durable filtration material, the bags effectively capture dust, dirt and everyday household debris while allowing consistent airflow through the vacuum cleaner. Regular replacement helps maximise cleaning efficiency, protect the vacuum's filtration system and maintain optimum machine performance.

Supplied as a convenient **pack of 5**, these replacement vacuum bags offer a practical and cost-effective solution for routine vacuum maintenance. Easy to install and remove, they help minimise downtime and keep your Vax vacuum cleaner operating efficiently.
