Leonardo Versatwin - Toilet Rolls - 2 Ply - 125m - 38mm Core - White - Case of 24

Variant code: 01-JT81SW

Leonardo Versatwin Toilet Roll is a professional **2 ply toilet tissue solution** designed for commercial washrooms requiring reliable performance, efficient maintenance and consistent hygiene standards. Suitable for use with a wide range of standard toilet roll dispensers, including twin-roll systems such as the **Leonardo Versatwin dispenser**, these high-capacity rolls help ensure continuous tissue availability in busy environments.

Each roll provides an impressive **125 metres of soft white 2 ply toilet tissue** on a **38mm core**, helping reduce refill frequency and minimise washroom maintenance requirements. The 2 ply construction offers an effective balance of softness and durability, supporting user comfort while maintaining dependable everyday performance in commercial settings.

The high-capacity roll format and bulk case supply provide a practical and economical solution for businesses seeking to optimise washroom efficiency and reduce servicing time. Designed for compatibility with twin-roll dispenser systems, these rolls help maintain continuous supply while reducing unnecessary waste.
