Victor V9 Vacuum Bags - Pack of 10

Variant code: 16-YYY426

Victor Vacuum Dust Bags are **high-quality compatible replacement dust bags** designed for **Victor D9 and V9 vacuum cleaners**. Engineered to provide reliable dust collection and effective filtration, these replacement bags help maintain strong suction performance while ensuring hygienic disposal of collected dirt and debris.

Manufactured from durable filtration material, the bags efficiently capture dust, dirt and everyday dry debris while maintaining consistent airflow through the vacuum cleaner. Their robust construction helps minimise the risk of splitting during use, supporting dependable performance in both commercial and domestic cleaning environments.

Supplied as a convenient **pack of 10 compatible vacuum cleaner dust bags**, they provide an economical solution for routine vacuum maintenance. Regular replacement helps maximise cleaning efficiency, protect the vacuum's filtration system and maintain optimum machine performance.
