Victor V9 Hose

Variant code: 16-HSE54

Victor Hose Assembly is a **genuine replacement vacuum hose** designed specifically for the **Victor V9 Vacuum Cleaner**. Engineered to restore optimum airflow and suction performance, this durable hose assembly provides a secure connection between the vacuum cleaner and cleaning tools, ensuring efficient dirt and dust collection during everyday cleaning tasks.

Manufactured from robust, flexible materials, the hose offers excellent manoeuvrability and durability to withstand the demands of regular commercial and domestic use. Its flexible construction allows easy movement around furniture, fixtures and confined spaces while maintaining uninterrupted airflow for consistent cleaning performance.

Designed as a direct replacement for worn, damaged or split hoses, the Victor V9 Hose Assembly is quick and easy to install, helping minimise equipment downtime and restore your vacuum cleaner to peak operating condition.

Product Features

- Replacement hose assembly for Victor V9 vacuum cleaner
- Restores optimum airflow and suction performance
- Flexible design for improved manoeuvrability
- Durable commercial-grade construction
- Secure connection to vacuum and cleaning tools
- Ideal for replacing worn or damaged hoses
- Easy to install and replace
- Reliable replacement vacuum accessory

Product Benefits

- **Restores full vacuum suction and cleaning efficiency**
- **Flexible hose improves ease of use during cleaning**
- **Durable construction withstands regular commercial use**
- Helps maintain consistent airflow
- Improves access around furniture and
