Vikan Aluminium Handle - 25mm Ã¸ x 1460mm - Orange

Variant code: 11-29597

Ultimate Hygiene & Reach: Vikan Aluminium Handle

Increase your cleaning standards with the **Vikan Aluminium Handle**, a top-tier tool designed for **professional hygiene** and **efficiency**. Measuring **1460mm** in length with a comfortable **25mm diameter**, this handle provides the **optimum reach** needed for demanding cleaning tasks, from **food production** floors to **commercial kitchens** and **healthcare facilities**. Its **lightweight yet durable** construction from **high-quality aluminium** ensures **easy manoeuvrability** and **long-term reliability**, significantly reducing operator fatigue.[2] The handle is equipped with the **Vikan Click-fit** system, guaranteeing a **secure connection** with a wide range of Vikan brushes, squeegees, and other cleaning tools, making it an **essential sanitation accessory**. Its smooth surface is designed for **easy cleaning** and **superior hygiene**, preventing the harbouring of microbes, which is vital for **HACCP compliance**.

The **vibrant orange** color is part of Vikan's comprehensive **colour-coding system**, a powerful feature for **cross-contamination prevention** and **workflow optimisation**. By integrating this orange handle into your facility's plan, you can easily designate tools for specific zones or tasks, ensuring **maximum food safety** and adherence to **strict cleaning protocols**. This **ergonomic cleaning handle** is not only a practical tool but a strategic investment in **operational excellence** and **site safety**. Search for **Vikan 1460mm handle orange**, **aluminium hygiene handle**, **colour-coded cleaning tool**, or **professional reach handle** to find this product and enhance your **industrial cleaning equipment** suite. Choose Vikan for **uncompromising quality** and **advanced sanitation solutions**.
