

Vikan Angle Cut Broom – Stiff – 290mm – Green

Variant code: 11-29142

The angled design of this broom makes it easy to reach into narrow spaces between equipment when sweeping debris before the scrubbing action starts. It is particularly used for collecting large particles of dirt like meat and vegetables in a moist environment. Suitable for cleaning in wet areas, for cleaning in narrow spaces, for cleaning gulleys in slaughter houses and collecting large particles of dirt like meat and vegetables.
