Vikan Hygiene Waterfed Angle Adjustable Brush - Soft - 240mm - White

Variant code: 11-70675

This unique brush has split fibre bristles which absorbs liquid so that the user is able to effciently carry soapy water from bucket to wall / machine. It is soft enough to use on sensitive surfaces. The waterfed design makes is excellent for rinsing after foaming. The neck angle is adjustable and so that all bristles are always in contact with the surface. Suitable for use on sensitive surfaces.
