Vileda MicroSafety Floor Pad - 17" - Grey

Variant code: 03-150774

Vileda Professional MicroSafety Floor Pad is a **premium 17-inch microfibre floor pad** designed to deliver **high-performance cleaning on safety flooring and other hard floor surfaces**. Manufactured using advanced microfibre technology, the grey MicroSafety Pad effectively removes dirt, grease and fine particles while helping to restore the original appearance of textured and slip-resistant floors.

Engineered specifically for **safety flooring**, the pad's unique construction penetrates textured surfaces more effectively than conventional floor pads, providing a deeper clean while using significantly less water and fewer chemicals. Its highly absorbent microfibre fibres trap and retain dirt efficiently, helping to improve hygiene standards and reduce the need for repeated cleaning passes.

Designed for use with **scrubber dryers and rotary floor machines**, the MicroSafety Pad offers excellent durability and long service life, maintaining consistent cleaning performance even in demanding commercial environments. It provides an environmentally responsible cleaning solution by reducing water and chemical consumption without compromising cleaning results.

Ideal for routine maintenance and intensive cleaning, the Vileda MicroSafety Floor Pad is suitable for a wide range of commercial and public facilities where slip-resistant flooring is installed.

Product Features

- **17" professional microfibre floor pad**
- Specially designed for safety flooring
- Grey cleaning pad
- Advanced microfibre construction
- Excellent dirt and grease removal
- Cleans textured and slip-resistant floors effectively
- Reduces water and chemical consumption
- Durable, long-lasting design
- Suitable for scrubber dryers and rotary floor machines

Product Benefits

- **Provides outstanding cleaning on safety flooring**
- **Removes embedded dirt from textured floor surfaces**
- **Reduces the need for chemicals and excess water**
- Improves floor hygiene and appearance
- Helps lower cleaning costs through extended pad life
- Delivers consistent professional cleaning performance

Technical Characteristics

- Product Type: **Microfibre Floor Pad**
- Brand: **Vileda Professional**
- Diameter: **17"**
- Colour: **Grey**
- Material: High-Performance Microfibre
- Surface Compatibility:
    - Safety Flooring
    - Textured Hard Floors
    - Slip-Resistant Floors
- Machine Compatibility:
    - Scrubber Dryers
    - Rotary Floor Machines
- Application: Deep Cleaning & Routine Floor Maintenance

Applications

Vileda Professional MicroSafety Floor Pad is ideal for **healthcare facilities, schools, food preparation areas, leisure centres, commercial kitchens, public buildings, retail premises and industrial environments**. Designed specifically for **cleaning safety flooring and other textured hard floor surfaces**, it provides excellent dirt removal, improved hygiene and efficient chemical-reduced cleaning in demanding commercial applications.
