Vileda UltraSpeed Mini SafeMop for Safety Flooring, inc Coloured Tags - 34cm - Each

Variant code: 15-129621

Vileda UltraSpeed Mini SafeMop is a **professional safety floor cleaning mop pad** designed for effective wet scrubbing and removal of stubborn dirt from textured and non-slip flooring. Its specialist construction features extra-hard cut-pile brush fibres that help loosen ingrained dirt and grime, making it ideal for maintaining safety flooring in busy commercial environments.

Designed for use with the **Vileda UltraSpeed Mini flat mopping system**, the SafeMop is particularly suitable for smaller cleaning areas where effective scrubbing and easy manoeuvrability are essential. The mop pad can be interchanged with a standard compatible Vileda flat mop, allowing users to switch between routine floor cleaning and more intensive scrubbing tasks.

Featuring **colour-coded identification tags**, the mop supports cleaning area segregation in accordance with HACCP-based hygiene procedures. Its compact **34cm design** makes it a practical choice for bars, restaurants, staff kitchens and other commercial areas where maintaining clean, hygienic safety flooring is important.
