Viper Carpet Walk Behind Carpet Extractor

Variant code: 16-CEX410

Viper CEX410 is a **professional walk-behind carpet extractor** designed to deliver powerful deep-cleaning performance for carpets, upholstery and textile surfaces. Combining efficient solution application, agitation and extraction in a single machine, the CEX410 provides exceptional cleaning results while ensuring fast drying times thanks to its powerful vacuum motor.

Built for professional cleaning environments, the machine features a large **35-litre solution tank** and **23-litre recovery tank**, both manufactured from durable, chemical-resistant and environmentally friendly polyethylene. The low-noise design allows cleaning to be carried out during working hours with minimal disruption, making it ideal for use in offices, hotels, healthcare facilities and educational environments.

The adjustable handle enables operators to achieve a comfortable and ergonomic working position, while the foot-operated parking stand protects the brush during storage and transport. Easy maintenance access without the need for tools further enhances productivity and reduces machine downtime.

Product Features

- Professional walk-behind carpet extractor
- Excellent carpet and upholstery cleaning performance
- Powerful vacuum motor for fast drying times
- 35L clean solution tank capacity
- 23L recovery tank capacity
- Low-noise operation suitable for daytime cleaning
- Adjustable ergonomic handle design
- Chemical-resistant polyethylene tanks
- Tool-free maintenance and servicing
- Foot-operated parking stand for brush protection
- Optional upholstery and floor tool accessories available

Product Benefits

Tel: 01626 355177
Email: info@aukhygiene.com

- **Delivers deep cleaning for carpets and upholstery**
- **Fast drying times minimise disruption and downtime**
- **Low sound levels enable daytime cleaning operations**
- Large tank capacities improve productivity
- Ergonomic design enhances operator comfort
- Simple maintenance reduces servicing time
- Durable construction ensures long service life
- Suitable for demanding commercial cleaning applications

Technical Characteristics

- Product Type: Walk-Behind Carpet Extractor
- Model: Viper CEX410
- Solution Tank Capacity: 35 Litres
- Recovery Tank Capacity: 23 Litres
- Tank Material: Chemical-Resistant Polyethylene
- Operation: Carpet Extraction & Upholstery Cleaning
- Handle: Adjustable Ergonomic Design
- Noise Level: Low-Noise Operation
- Maintenance: Tool-Free Service Access
- Commercial-Grade Construction

Applications

The Viper CEX410 is ideal for **hotels, offices, schools, universities, healthcare facilities, care homes, leisure centres, conference venues and contract cleaning companies**. Suitable for deep cleaning **carpets, carpet tiles, entrance matting, upholstered furniture and textile surfaces**, it delivers professional extraction performance, fast drying times and reliable operation in demanding commercial environments.

Property	Value
Length (mm)	1170
