Windmill Synergy Biological Washroom Cleaner - Trigger Spray Bottle/Head - 750ml - Windmill Refill - White

Variant code: 14-750SWW

Windmill Synergy Trigger Spray Bottle is a purpose-designed container for use with **Windmill Synergy Washroom Cleaner**, providing a practical and compliant solution for professional cleaning environments. It ensures clear identification and consistent application in washroom cleaning tasks.

This **750ml trigger spray bottle features a screen-printed design**, preventing labels from peeling, fading or becoming illegible. The permanent print ensures ongoing compliance with workplace regulations, particularly where chemical identification is essential.

Designed for ease of use, the bottle supports **spray and wipe cleaning applications** across washroom surfaces, allowing controlled and efficient product application for daily cleaning routines.

Available with a choice of **trigger head colours (Blue, Green, Red, White and Yellow)**, it supports colour-coded cleaning systems to reduce cross-contamination and improve organisation in professional settings.

Product Features

- 750ml **trigger spray bottle for washroom cleaner**
