

Wastebasket Rectangular – 39L – Grey

Variant code: 14-2957GREY

The large Rubbermaid rectangular wastebasket is ideal for recycling under a desk or desk side, making it the perfect choice for any capacity recycling needs. It is slimline and practical, easily fitting flush against the wall or by/under a desk. The all-plastic construction means no chipping or rusting, and it is a very hardy bin.

Capacity: 39 litres

Dimensions: W:387 x D279 x H505mm
