Wheelie Bin Liners - Light Duty - Box of 100/270L - Clear

Variant code: 18-CLWBL

Wheelie Bin Liners are practical **light duty 270 litre waste liners** designed to provide hygienic and convenient waste management for large wheelie bins in commercial and domestic environments. Manufactured from durable polythene, these clear liners help maintain cleaner bins while simplifying everyday waste disposal tasks.

Specifically sized for **270 litre wheelie bins**, the liners provide a secure fit that helps prevent slipping and keeps waste contained during use. Their lightweight yet dependable construction is suitable for general household waste, recyclable materials and lighter commercial waste applications. The **clear polythene design** allows easy identification of contents, supporting waste segregation and recycling procedures where visibility is important.

These wheelie bin liners help reduce unpleasant odours, stains and residue build-up inside bins, supporting cleaner and more hygienic waste handling practices. Supplied in a convenient **box of 100 liners**, they provide an economical and reliable solution for ongoing waste management requirements.
