Wheelie Bin Liners - Extra Heavy Duty - 240L - Box of 100

Variant code: 18-XHDWBL

Wheelie Bin Liners are robust **extra heavy duty 240 litre waste liners** designed to provide superior strength and reliable waste containment for demanding commercial, industrial and domestic waste disposal applications. Manufactured from premium extra-thick polythene, these black wheelie bin liners deliver dependable performance for handling heavy, bulky and awkward waste materials while helping maintain cleaner and more hygienic waste storage areas.

Designed to fit standard **240 litre wheelie bins**, these extra heavy-duty liners offer exceptional resistance to tears, punctures and leaks, even when used with heavier or sharper waste materials. Their leak-resistant construction helps prevent spills, unpleasant odours and contamination inside wheelie bins, improving hygiene and simplifying waste management procedures. The opaque **black finish** provides discreet waste containment and a professional appearance in commercial and public environments.

Supplied in a practical **box of 100 liners**, these wheelie bin bags provide a cost-effective and reliable solution for facilities and households requiring durable high-capacity waste liners for everyday and demanding waste disposal tasks.
