Wheelie Bin Liners - Medium Duty - 240L - Box of 100 - Black

Variant code: 18-WBL

Wheelie Bin Liners are durable **medium duty 240 litre waste liners** designed to provide hygienic and efficient waste containment for large wheelie bins in commercial, industrial and domestic environments. Manufactured from strong black polythene, these wheelie bin liners offer reliable performance for handling everyday waste while helping maintain cleaner and more hygienic bin storage areas.

Designed to fit standard **240 litre wheelie bins**, these medium-duty liners provide a secure and dependable fit that helps prevent leaks, spills and contamination inside waste containers. Their durable construction makes them suitable for general waste disposal in offices, warehouses, hospitality venues, schools and facilities management environments. The opaque **black finish** provides discreet waste containment and a professional appearance.

Supplied in a practical **box of 100 liners**, these wheelie bin bags offer a cost-effective and convenient waste management solution for high-volume waste disposal applications requiring dependable large-capacity bin liners.
