

White Rock Salt for De-icing – 25kg x 40 Bags – Full Pallet

Variant code: 04-410/40

White Rock Salt for de-icing 25Kg (P42) unlike brown rock salt which leaves muddy surfaces after melting, white rock salt melts ice and snow fast, but leaves a clean, safe surface. White rock salt offers a cleaner gritting solution, that leaves minimal residue whilst effectively tackling the ice.
