Windmill Captain - Hard Surface Cleaner - Trigger Spray Bottle - 750ml - Blue Head

Variant code: 14-750CB

Windmill Captain Trigger Spray Bottle is a purpose-designed container for use with **Windmill Captain hard surface cleaner**, providing a practical and compliant solution for professional cleaning environments. It ensures clear identification and consistent application for daily cleaning tasks.

This **750ml trigger spray bottle features a screen-printed design**, eliminating the risk of labels peeling, fading or becoming illegible over time. The permanent print ensures compliance with workplace regulations, particularly in environments where clear chemical identification is essential.

Designed for ease of use, the bottle supports **spray and wipe cleaning applications** across a wide range of hard surfaces. It provides controlled product application, helping improve efficiency and consistency in cleaning routines.

Available with a choice of **trigger head colours (Blue, Green, Red, White and Yellow)**, it supports colour-coded cleaning systems to reduce cross-contamination and improve organisation in professional settings.

Product Features

- 750ml **trigger spray bottle for hard surface cleaner**
