Windmill Captain Lemon - Hard Surface Cleaner - 5L (Replaces Captain Pine)

Variant code: 06-584

Windmill Captain Lemon is a hard surface cleaner designed to deliver **effective cleaning performance on floors and non-porous surfaces** in professional environments. As part of the Windmill cleaning range, it provides a reliable all-purpose solution for removing dirt, grease and marks while maintaining surface cleanliness and appearance.

This all-purpose cleaning concentrate is optimised for **mopping or scrubber dryer use**, with a **controlled foam formulation** that helps prevent overuse and ensures efficient cleaning. It effectively removes soil, grease and heel marks from **synthetic floors**, while also performing well on a wide range of non-porous surfaces. The formulation leaves a **fresh lemon fragrance**, enhancing the overall environment after cleaning.

Suitable for use across multiple surface types, including **linoleum, PVC, rubber, sealed wood, sealed cork and thermoplastic floors**, Windmill Captain Lemon offers versatility for routine maintenance cleaning. It is particularly effective in high-traffic environments where consistent performance and ease of use are essential.

Product Features

- All-purpose **hard surface cleaner concentrate**
- Optimised for **mopping and scrubber dryer use**
- Controlled foam for efficient cleaning
- Removes **soil, grease and heel marks**
- Suitable for synthetic and non-porous surfaces
- Leaves a **fresh lemon fragrance**

Product Benefits

- Provides effective cleaning across multiple surfaces
- Reduces product waste with controlled foam formulation
- Suitable for both manual and machine cleaning
