Windmill Captain Pine - Hard Surface Cleaner - 5L

Variant code: 06-585

Windmill Captain Pine is a hard surface cleaner designed to deliver **effective cleaning performance on floors and non-porous surfaces** in professional environments. As part of the Windmill cleaning range, it provides a reliable all-purpose solution for removing dirt, grease and marks while maintaining cleanliness across a variety of surfaces.

This all-purpose cleaning concentrate is ideal for removing **soil, grease and heel marks from synthetic floors**, while also performing effectively on a wide range of non-porous surfaces. The formulation includes **controlled foam technology**, helping to prevent overuse and ensuring efficient cleaning performance in both manual and machine applications.

Suitable for use on multiple floor types, including **linoleum, PVC, rubber, sealed wood, sealed cork and thermoplastic floors**, Windmill Captain Pine offers versatility for routine maintenance cleaning. Its formulation is particularly effective in high-traffic environments where consistent cleaning performance is required.

Product Features

- All-purpose **hard surface cleaner concentrate**
- Removes **soil, grease and heel marks**
- Controlled foam for efficient use
- Suitable for **synthetic and non-porous surfaces**
- Compatible with manual and machine cleaning
- Designed for professional cleaning applications

Product Benefits

- Provides effective cleaning across multiple surfaces
- Reduces product waste with controlled foam formulation
- Suitable for high-traffic environments
- Supports efficient and consistent cleaning routines
- Helps maintain clean and presentable
