Windmill Carpex Spotter - Spot And Stain Remover - 750ml

Variant code: 09-810

Windmill Carpex Spotter is a spot and stain remover designed to deliver **effective targeted cleaning** on carpets and upholstery. Developed for professional and domestic use, it provides reliable performance on a wide range of washable fabrics.

This **Woolsafe approved formulation** is suitable for use on all **colour-safe washable fabrics, including wool**, ensuring safe and effective stain removal without damaging fibres. It works to lift and remove spots and stains, restoring the appearance of soft furnishings and carpets.

The product can be used as a **standalone spot treatment** or as a **pre-spray prior to extraction cleaning**, offering flexibility across different cleaning methods. For best results, dry residues should be gently agitated before application, then the solution applied and allowed to penetrate the stain before blotting or extraction.

Easy to apply, simply spray onto the affected area and remove the stain by blotting with clean absorbent material or using an extraction machine. Always test on an **inconspicuous area for colourfastness** before full application. Supplied in a **750ml format**, it is ideal for convenient spot cleaning and maintenance.

Product Features

- Spot and stain remover for **carpets and upholstery**
- **Woolsafe approved formulation**
- Suitable for **colour-safe fabrics including wool**
- Can be used as **spot cleaner or pre-spray**
- Effective on a wide range of stains
